

MONSON FARMERS' MARKET

HELD AT THE FIRST CHURCH OF MONSON
5 HIGH STREET, MONSON, MA 01057

Sponsor Information

Please join us in making the Monson Farmers' Market an integral part of the community. Become a Sponsor! We are dedicated to supporting local businesses, non-profit organizations, farmers, and residential gardeners or producers.

The Farmers pay a nominal fee (\$1) to "rent" one of our 10' spaces. The First Church of Monson provides the location and parking lot as well as toilet facilities for free. All of the volunteers are working out of the goodness of their hearts. So what do we need money for? We have to pay for the signs and some advertising which uses less than half of the monies donated to the market. The rest is used to purchase food from our farmers which we then give to local area residents who are in financial difficulty through our close association with the Monson Open Pantry and the Monson Senior Center, as well as to individuals who have also demonstrated need.

The Monson Farmers' Market is a nonprofit entity operating under the 501(c)3 status of the First Church of Monson.
